Rob –

As discussed yesterday morning, I am concerned enough about your failure to provide the Initial Disclosure or responses to written discovery or to present your client for a deposition that I feel that I have no choice but to file a Motion to Compel.

We have agreed that you will present your clients – both Ky'ss Burton and Sakia Hall – for a deposition on next Friday May 20 beginning at noon at the City Attorney's office.
I will have my client present and ready to be deposed at the same time.

You have also promised that you will provide full and complete Initial Disclosures and fully executed responses to discovery by this Friday May 13.

Based on these representations, I am going to hold off on filing the Motion to Compel until 2:00 p.m. on Friday.

I hope that we can get these issues behind us and focus on the substance of the case.

Thanks.
David
